York Durham Headwaters

is Your Ultimate Destination for World-Class Attractions

BY KATHERINE RYALEN

Welcome to York Durham Headwaters. Our dynamic region, which surrounds the Greater Toronto Area, is your top destination for unforgettable adventures and world-class attractions. Pursue your passion—whatever it is, you'll find it in YDH. If you're an adventure seeker, we've got plenty of thrills and chills. For a breath of fresh air, become one with nature on our renowned network of trails and in our stunning parks and outdoor spaces. If you're looking for a family-friendly day of fun, we've got incredible zoos, entertainment and other kid-tastic destinations. To enrich your life with culture, history and art, we are an oasis of hidden gems for museums, galleries and cultural centres. There is something for everyone, so take a break from your same old routine and join us in YDH to up your excitement factor. We're all about making lifelong memories!

Canada's Wonderland is Canada's top amusement park, where you will find the greatest collection of adrenaline-pumping rides and roller coasters in North America. Yukon Striker is the park's most recent coaster, and has set records for being the fastest, longest and tallest dive coaster in the world! Other famous coasters include Leviathan, Behemoth, The Bat, Vortex and the Mighty Canadian Minebuster. And, with more rides from the terror-defying (like Drop Tower, Shockwave, Lumberjack and Riptide) to the enjoyably tame-ish (like Klockwerks, Spinovator, Swing of the Century and White Water Canyon) there is no shortage of excitement. If family-friendly fun is what you're after, Wonderland offers two kids' areas to accommodate a range of adventure levels: Planet Snoopy and KidZville. During the summer months, cool off in Splash Works, a 20-acre premier water park featuring 17 different water slides and water attractions for all ages.

While summer is without question the peak season for Canada's Wonderland, the entertainment doesn't stop at the end of August. There is tons of fun to be had year-round with popular themed events. Beginning at the end of September, Wonderland's annual Halloween Haunt comes to the park. This immersive experience is a favourite destination for scream loving horror seekers. For younger visitors, Camp Spooky offers scare-free fun and activities for the little ones and families. From the end of November to the end of December, Canada's Wonderland brings holiday traditions to life with its annual WinterFest. Gaze

in wonder at the park you know and love as it is transformed into a magical winterscape featuring millions of lights, live performances, themed areas, and skating on Snowflake Lake at the base of Wonder Mountain.

1 Canada's Wonderland Drive, Vaughan
www.canadaswonderland.com

In the heart of the breathtaking Bruce's Mill Conservation Area, a treetop adventure waits to take your breath away—with exhilaration! **Treetop Trekking** in Stouffville is an aerial adventure course like no other, with panoramic views of the Ganaraska Forest. There are five courses in the park, which feature fun elements like Tarzan swings, suspended bridges, swinging longs and cable traverses so that you can test new heights and challenge your sense of balance. Because the different courses vary in terms of skill required, you can go from tree to tree at your own pace.

If an aerial obstacle course is not enough of an adrenaline rush, then you've got to try The Monarch—a 700-foot zip line that sends you soaring over a butterfly garden (from the safety of a harness, of course). Or you can discover the treetops and take that amazing zipline under a starry night sky with Night Trek, where you have nothing but a headlamp and the North Star to lead the way. There is even something for the kids, if you are looking for a family adventure. Treewalk Village is a two-hour activity that lets children of all ages climb a network of treehouses through 8-foot hammocks, nets and wood bridges, and offers slides, obstacle courses and other forest games.

You don't need to travel to distant continents to come face-to-face with exotic animals. Your destination for unique species is just northeast of Toronto, in Orono. From big cats to primates to all kinds of birds, **Jungle Cat World Wildlife Park** is one of Canada's most exciting Zoological Parks that is open all year round. St. Jacobs Farmers' Market

Village of St. Jacobs Sparkles

WCR Christmas Train

Three Sisters Cultural Centre

The delightful [Village of St. Jacobs](#), in Waterloo Region, celebrates its 170th anniversary this year. In 1852, the Mennonite community of Jakobstetle received its official name and Post Office. Named after the founders Jacob Snider and his son, Jacob, with an added "St." for effect, St. Jacobs became a hub for various industries. Situated on the banks of Southern Ontario's Conestogo River, it was the first small village in Ontario to receive hydro electric power providing the ideal location for use by various mills, stores and hotels. The original Farmer's Inn still stands today as [Hotel 52](#).

The two Jacobs even set up a distillery in the village. The Village has a colourful history, including the great train crash of 1902, and quirky bylaws, like owners of a cart had to be gainfully employed 3 days a week and to protect the wooden bridges from the destructive vibrations of horse's hooves, there was a fine for going too fast over any bridge. These are only some of the things you can learn during a visit to the Village.

170 years later, the Village remains a destination to enjoy beautiful walks along the river and explore the one-of-a kinds shops. Immerse yourself in rural life on a historic walking tour and find all the art murals throughout town. Enjoy a trip through the countryside on a heritage train and find local wares at Canada's largest outdoor year-round farmers' market. There are plenty of hotels to stay at while here, as there is way too much to do all in one day!

Several events are planned to mark this special year. Starting in June, join us to cycle the [BT700 bikepacking loop](#) and return at the end of the month for the reemergence of the Quilt Festival, June 23 until July 3. Called the WEFT Fest, the Woolwich Expressions in Fibre Traditions is being organized by Waterloo Region's newest art hub - The [Three Sisters Cultural Centre](#) located in downtown St. Jacobs where you can meet artists and participate in workshops and events.

Get your dancing shoes on and come to the [St. Jacobs Farmer's Market](#) for their Harvest Hoedown Night Market on Friday, Sept. 23 and be sure to check out [All that Worldly Jazz](#) also in September.

November brings [Sparkles](#) - get into the holiday spirit when the Village lights up for this annual event. Victorian Carolers and Hot Mulled Wine will keep your soul warm. Remember to book your seats on [Waterloo Central Railway's Christmas Train](#) during your winter visit!

Celebrate with us and learn about all the events at stjacobsvillage.com

you need to know about
Ontario's Attractions at
attractionontario.ca

Who's on the Cover?

Have you been to Ontario's newest major attraction yet? Located in the heart of downtown Toronto, Little Canada showcases a miniature version of the cities you know and love, including familiar landmarks, tall buildings, popular tourist sites and of course tiny people everywhere. The detail will amaze you, with each sculpture uniquely made.

Discover Canada in miniature size! Little Canada features multiple little destinations, including Toronto, Ottawa, Quebec, Niagara, and Golden Horseshoe with more cities in the making! And if seeing isn't enough, there is an additional option to live within the attraction! The "littleization station" creates a personalized figurine which can be placed and live forever in the attraction itself! How cool is that?

Little Canada is child-friendly, providing a step for kids to get the best views. Parking is available on-site or is also easily accessible via subway.

When making your 2022 vacation plans, don't skip out on this attraction.
