Rail & Roam in South Eastern Ontario

“ We had a wonderful trip planned by Landsby. We took the Via Rail from Toronto to Gananoque in February 2022 and stayed at the most charming inn where Jody and Chef Geoff provided warm hospitality, accommodations and a world-class dining experience.

Our helicopter tour over the 1000 Islands was thrilling to say the least. With our experienced pilot from Kouri's Kopters, we felt as if we were flying over the St. Lawrence. What a stunning treat! We highly recommend travel planning with Landsby and can't wait to take our next Canadian getaway!! ”

Why Work With Travel Trade?

Exposure | Distribution | Trust

- A significant percentage of visitors to Ontario research destination options and book their trips using travel trade channels.

- It allows the supplier to broaden your customer base far beyond the reach of your own marketing budget.

the rails

tripping isn't the only way to wheel around the province. This winter, the Regional Tourism Organization of South Eastern Ontario (RTO 9) has joined up with Via Rail and the new Toronto-based travel company Landsby to create a series of "Rail + Roam" packages (landsby.ca/rail-and-roam). The experiences cater to varying interests, from wining and dining to wellness, and cover destinations like Prince Edward County, Kingston and Gananoque.
